TCUD Representative Date

Hold harmless & indemnity – Applicant hereby represents and warrants that he/she/it has insured that all water connections to the house/business are turned off or will be turned off at the time Tunica County Utility District connects the house/business to the District’s water system. If there are water connections which are NOT turned off, then Applicant understands that water could flood the home or business and cause damage. Applicant waives any and all claims against the District for damage caused by water as a result of broken water lines or water connections which are not turned off at the time the District connects the house/business to the system. Further, Applicant agrees to hold the District harmless and to indemnify and defend the District from and against all claims or causes of action which result from any damage caused as a result of the District turning water service on to the house/business.
